Hakkımızda

Adas Masa & Sandalye 1971 yılında ev eşyası imal etmek üzere A. Avni DOLMEN tarafından kurulmuştur. Firmamız 50 yıldır kalitesi ve sağlıklı ürün garantisi ile yurtiçi ve yurtdışında kendisini kanıtlamış, firma ve kullanıcılarının güvenini kazanmıştır.

İzmir Atatürk Organize Sanayi Bölgesi'ndeki 15.000 m2'lik tesisimizde ağaç, demir, nikelaj, boya, döşeme ve pazarlama departmanlarını kendi bünyesinde tek çatı altında toplayarak dışarıya bağımlılığı ortadan kaldırmıştır.

Tasarımı, kendini ifade etmek için bir araç olarak gören Adas Sandalye, modern yaklaşımı ile özgün, güçlü bir tasarım dili oluşturmaktadır. Çağdaş ve retro yaklaşımları, modern bir çizimi de yorumlayan Adas Sandalye, işine tutkuyla bağlı tasarımcıları sayesinde yeni stil öyküleri yaratmaya devam etmektedir.

About Us

Adas Table & Chair was established in 1971 to manufacture household goods. Our company has proven itself at home and abroad with its quality and healthy product guarantee for 50 years and has gained the trust of the company and its users.

In our 15,000 m2 facility in İzmir Atatürk Organized Industrial Zone, we have gathered the wood, iron, nickel, paint, flooring and marketing departments under a single roof and eliminated dependence on external sources.

Seeing design as a tool for self-expression, Adas Sandalye creates a unique and powerful design language with its modern approach. Adas Chair which interprets contemporary and retro approaches with a modern with a modern drawing, continues to create new style stories thanks to its designers who are passionate about their work.
